

Membership Application 2011-2012

The Trojan Real Estate Association (TREA) is a forum for learning about the real estate industry and making connections with professionals. TREA membership is open to undergraduate students with a professional interest in real estate from across the USC campus. TREA holds a number of programs throughout the school year including alumni speaker panels and networking events. The Lusk Center works very closely with the real estate community to promote USC students. In order to ensure that students are able to take full advantage of these opportunities and to meet important deadlines, TREA enrollment periods have been established:

- Fall –October 7, 2011
- Spring –January 27, 2012

Membership is for one school year (Fall 2011 and Spring 2012 semesters; Summer semesters are also included). Membership rates are the same for the entire school year regardless of when a student joins the club.
